

THE FAMILY HOMELESSNESS SOLUTIONS LAB

HOUSING SEARCH VOLUNTEERS

Come play a key role as we test out novel approaches to the issue of family homelessness in our communities!

**Over 300 families in Ottawa are
homeless at any given time, many of them
in Vanier-Overbrook.**

**The Solutions Lab seeks to develop
neighborhood-level solutions**

**We've done the research, but now it's
time to put it to the test: and we need
YOU!**

What we need:

Creative, energetic neighbours, ready to help a family at risk of homelessness with their housing search. This could involve a wide variety of activities, from helping with online searches to attending viewings and reviewing leases. Support, training and tools will be provided.
